World Class Finish Court and Gym Finish

POLOPLAZ World Class Finish is formulated to protect all types of hardwood sports floors including gym, aerobic, dance, and stage floors. Today's gyms and multi-use sports floors pose a new challenge to the finish: It must protect the floor from run-and-gun basketball, street shoes, aerobic dancing, perspiration, folding chairs, and every spill from water to alcoholic beverages.

PoloPlaz World Class Finish meets these challenges by providing deep-penetrating oil preservatives along with a high quality protective wear coating.

World Class is MFMA approved and highly recommended for use on any multi-purpose sports floor.

FEATURES

World Class Finish is Fast Drying

- ◆ Can be walked on in 4 hours
- ◆ Recoat in 8 hours (varies with conditions)

Film Properties

- ◆ Exceeds MFMA standards

PoloPlaz Products

W1 Court and Gym System

1. World Class Sealer or Fast Dry
2. Fast Break Game Line Paint
3. World Class Finish

World Class Finish

- ★ 2-Day system with Fast Dry
- ★ Reduce or eliminate callbacks
- ★ Used on many NBA and major college floors
- ★ Complimentary game line paints

USE FAST DRY WHEN:

- 2-day finish system is required
- High build is desired
- Topcoating with water or oil

USE FOR:

- Basketball courts, dance floors, gyms
- High profile courts; discriminating architects
- New installation, resand, or screen/recoat

NEW FLOORS

- Apply 2 coats of World Class Sealer or Fast Dry Sanding Sealer
- Screen Floor with 120/150 grit; tack
- Apply Fast Break game line paint
- Screen paint with used 120/150 grit; tack
- Apply 2 coats of World Class Finish, screen between coats and tack

SCREEN & RECOAT

- Clean floor thoroughly with PoloPlaz Hardwood Floor Cleaner
- Screen floor with 100/120 grit
- Tack with water
- Apply 1 coat Fast Dry and 1 coat World Class Finish
- Screen and tack between coats

TIPS:

Use heat and ventilation to control cure, especially in poor conditions (low temp/high humidity)

Use Super Dry in sealer, paint and finish in poor drying conditions and to avoid polyballs

Never skip more than 1 grit size when sanding

Tack with Tie Tack or mineral spirits on bare wood; subsequent coats with water

Allow finish to fully cure before use
